The Great Lakes Film Association is a non-profit organization that relies on contributions, memberships, and the hard work of its volunteers to help raise funds for our annual film festival.

The funds raised from the memberships are needed to help with yearly operating costs and to produce the annual Great Lakes Independent Film Festival, which is ranked among the top 100 most popular film fests in the world.

We have many people ask how they can help out and what can we do to support the association and the film festival. Well... become a member!!! Not only does it help us financially, but it also gives us the numbers to show how many people want the festival as we go for sponsors and government grants.

Become a member of the Great Lakes Film Association for ONLY a \$49.95 donation, a savings of \$50.00 and enjoy various money saving discounts, annual special events for members, and V.I.P. treatment.
